Overview

This is a bag crafted from bleached glassine paper. Offering grease resistance, a smooth glossy finish, and transparency—making it ideal for packaging items that require both protection and visibility.

Features

- **Finish:** Glossy surface for clean presentation
- **Grease Resistant:** Effective barrier against oil
- **Transparent:** Contents are easily identifiable without opening
- **Biodegradable:** Compostable under proper conditions

Benefits

- **Professional Look:** Enhances visual appeal of products with a glossy finish
- **Streamlines Display:** Transparent material allows for product identification
- **Versatile and Durable:** Handles a wide range of products across foodservice and retail industries

Applications

Food Service and Retail: Ideal for packaging, dry snacks, or bakery items. Used in specialty stores for visible presentation.
